Our fundraising goal is \$10,000

The more exposure our student athletes receive increases their chances of obtaining a college scholarship. We have an impressive group of talented players that will travel to exposure tournaments. It is vital to these young women that they play in front of college scouts. In order to afford the opportunity to showcase themselves, we will need to participate in the top High School tournaments across the country.

Yes! I want to sponsor a Lady Dragon. Enclosed is my check in the amount of \_\_\_\_\_.
